

Organisation

The **EUCALAND Network** is open to private persons and to institutions. Since 2012 it is a Non-Profit Association under German law.

The executive board is made up by volunteers, currently three members. If the Network members decide to have elections, elections will be held every two years on the biennial meeting at the PECSRL conferences (www.pecsrl.org).

The board functions as secretariat. Changes in the organisation by member's vote.

Meetings

2006: Cologne (sponsor: LVR), Berlin, Girona, Cambridge, Paris

2007: Cambridge (host: Lower Austrian Government)

2008: Óbidos (PT); 2009: Dortmund (DE); 2010: Riga (LT); 2011: Clermont-Ferrand (FR); 2012: Gödöllő (HU); 2013: Utrecht (NL); 2014: Prague (CZ)

Members

The Network has currently 21 members (mainly institutions) from 16 European countries and Canada.

Benefits for members

Unique European Network on Agricultural Landscapes within a framework of international organisations and institutions

Connection of people in European institutions and governments for information, research and common projects

Data on related conferences, calls and key issues

Possibilities of intersectoral and transdisciplinary exchange

Overview on and exchange of large variety of data between the different countries (maps, photos, statistics etc.)

Downloads of Network publications, articles, presentations and research

Secretariat coordination and management of existing projects and initiatives

EUCALAND Network applications within European research programs

EUCALAND meetings, workshops, conferences and courses

Goals

Methodological approach to the description, history, classification, assessment, planning and policy of European Agricultural Landscapes

Develop toolkits for the description, history, classification, assessment, planning & policy of European Agricultural Landscapes

Disseminate the findings (methods & toolkits) to different groups, like e.g.:

UNESCO	CoE
Research	Institutes
IUCN	Scientists
WWF	Politicians
FAO	NGO
The European People	

Mission

To make the Agricultural Landscapes of Europe, with visible and invisible characters, with tangible and intangible values, legible and accessible to the people, which will be able to better consider and use them, and above all to respect and preserve their identity and heritage.

EUCALAND - Network

European Culture expressed in Agricultural Landscapes
