

EUCALAND Newsletter January 2013, 1/2013

Dear EUCALAND members and friends,

We hope, that you and your family's have had a good and lucky start in the new year 2013. May it bring you success, peace and health.

The new EUCALAND year starts with our 2nd exemplar of the newsletter. We hope, that you like it and that the form convince you. Please do not hesitate to give us your feedback on form and content. And please help us to make it as good and as informative as possible: Let us know about calls, projects, relevant publications (your own ones and relevant ones from colleagues) and maybe most important: Use the newsletter as a platform for your professional exchange when you are looking for information and/or contacts. We will try to keep it regular - every 4 to 8 weeks.

At the moment we are preparing the next EUCALAND Workshop, which will be held 24-27 March in the Netherlands and which will deal with water meadows. We have some few places left. If you are interested, please contact as soon as possible the secretariat at secretariat@eucalandnetwork.eu.

With our best wishes for you all,
Alexandra, Hans and Michael
