

## Institute for Research on European Agricultural Landscapes e.V. (European Culture expressed in Agricultural Landscapes)

### EUCALAND

#### 15<sup>th</sup> Workshop: 28–30<sup>th</sup> of April 2025 – Gödöllő, Hungary

**Where:** Hungarian University of Agriculture and Life Sciences, Address: 2100 Gödöllő, Páter Károly utca 1, Website: <https://szic.uni-mate.hu/> (map/coordinates on the last page)

**Accommodation:** Students Accommodation at the campus at the top floor, double rooms with bathroom en-suite, app. 35€/double room (if you share, the price is half), elevator, Address: 2100 Gödöllő, Páter Károly utca 1. (map/coordinates on the last page)

**Costs:** All costs at your charge, except coffee, tea and water, will be available in the institute.

Monday evening: traditional pot-luck dinner, in connection with the actual agricultural landscape, if possible (in this case it means: fish). Lunches are at one of the university canteens (*if you are here early on Monday, let me know if you wish to have a common lunch. I will make a reservation accordingly, the same goes for Wednesday, before everybody leaves*).

#### Traveling:

- **Nearest airport:** Budapest Liszt Ferenc International Airport with several low-cost airlines. It is important that there is a fixed rate for taxis (to avoid overpricing, we have our “own” local taxi driver if you want, I can ask him to pick you up, the same price of course), so it is the best if you can combine your arrivals and take one shared taxi. I always offer one tour by myself, if we can arrange it and the timing does not coincide with other activities, e.g. if you arrive on Sunday evening, I can make one turn to the airport and back.
- **Nearest train station:** Gödöllő with direct connection to Budapest. 5-10 minutes walk from the institute/dormitory.
- **Nearest bus station:** Gödöllő city center with fast bus to Budapest. It is appr. 5 minutes from the train station on foot.
- **Local train:** only if you like challenges, it is much longer, much shakier, and less safe. Sorry to say.
- **Car:** parking at the university campus is free. All students started to travel by car in the last 2-3 decades, so sometimes the parking lot is full but there is always a spot. Alternatively, you can also leave your car at the institute.

### Workshop - Overall topics

- **Monday** (half day) & **Tuesday** (half day): EUCALAND Workshop: National Reports on **fishpond landscapes** – origin, use, extend, sociological meaning,
- **Tuesday:** half-day excursion
- **Wednesday:** half day: Wrap-up working meeting & EUCALAND members’ assembly

**Monday, 28<sup>th</sup> April 2025**

Morning/noon Arrival

1 pm Welcome by the head of the department and/or the institute or if nobody will be available, I will be there for sure, so welcome by EUCALAND is certain with details on the workshop agenda.

- Program
- Signature lists
- Volunteers for a SHORT article for homepage & Hungarian Journal of Landscape Ecology

13:30–14:30 Hungarian presentation by local aquaculture experts, introducing the situation about fishponds and fish production in general in Hungary.

14:30–18:00 National presentations on fishpond landscapes

- T.b.c. next day

18:00–20:00+ EUCALANDs traditional pot-luck-dinner: Please bring some of your national specialties to share, like bread, cheese, sausage, fruits, and beverages – or, if you can think of something related to fishponds or fishpond landscapes!

Online Link: Zoom Meeting link will be provided (please, contact us via e-mail, or in the last minute, if you are lost, via WhatsApp, Viber or cell phone (Csaba: +36302027336))

**Tuesday, 29<sup>th</sup> April, 2025**

9:00–13:00 departure for an excursion with our cars, guided by Csaba

13:00–14:00 lunch

14:00–17:00 Continuation with national presentations (if necessary) & discussion about the definition, typology and common article

6 or 7 pm dinner

**Wednesday 30<sup>th</sup> April, 2025**

9 am Wrap-up working meeting

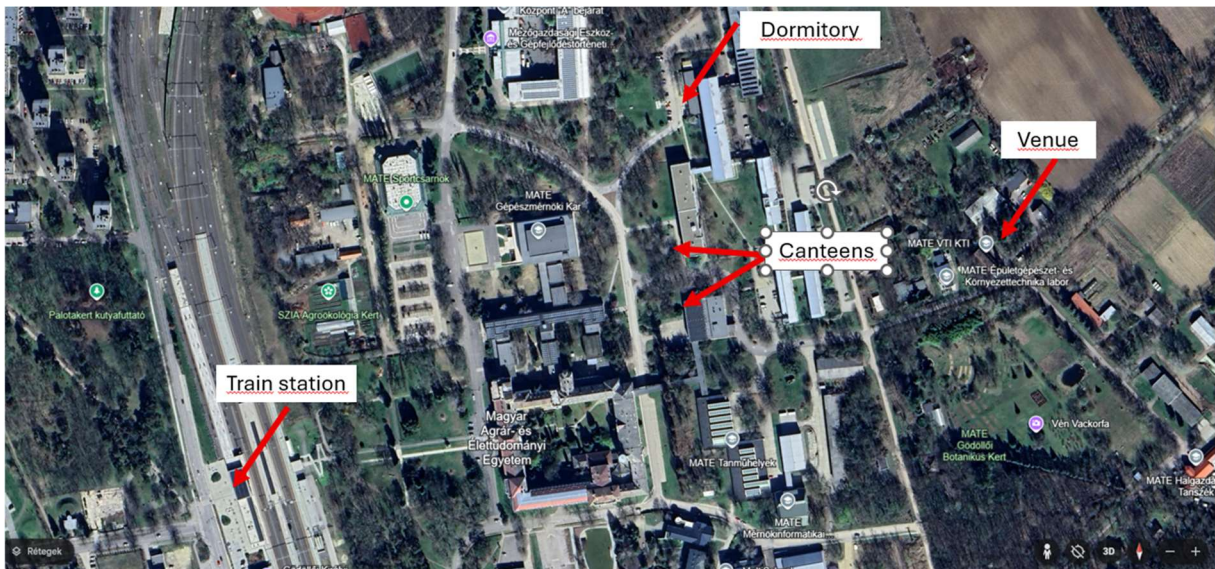

10 am EUCALAND members' assembly

- confirmation of new members
- planning of our common publication
- discussion about a planned COST Action on transhumance
- discussion about state of the art of the publications of last year's topics
- EUCALAND's special session at the 2024 PECSRL conference:

<https://www.umcs.pl/en/s09-heritage-of-european-cross-border-landscapes-issues-of-their-identification-management-and-interpretation,28661.htm>

12:00 lunch

13:00 departure

Venue: 47.594571 19.367117 (On google: MATE VTI KTI)

Dorm is at: 47.595680 19.363502 ([https://kollegiumok.uni-mate.hu/english\\_szic](https://kollegiumok.uni-mate.hu/english_szic) - there are e-mail addresses at the end where you can make your booking)
